Comments: The great Sioux nation was affirmed their territorial right to black hills in the treaties of fort Laramie, and it was stolen from them when gold was discovered there. In 1980 the Supreme Court ruled in favor of the Ocheti Sakowin (Sioux nation) in that their lands were illegally stolen and occupied. They want their land back, and to this day the U.S. still refuses to return it. Honor our treaties. Hold our government accountable!
