Comments: I love Dispersed Camping and plan my vacations around trips where I can enjoy the great outdoors. Being able to disperse camp helps me get to amazing places. I grew up in Colorado and enjoyed camping with my family. Now that I am older I enjoy getting out with my own family and friends and enjoying all that this beautiful country has to offer. Public lands should be kept public and accessible by the public. Dispersed Camping is a big part of that opportunity to enjoy nature.

Please don't restrict our access or ability to Disperse Camp.

Thank you,

Mark Hardy
