Title: Mayor

Comments: Greetings, I'm giving my support for the Brian Head ski resort expansion, this will be critical for the future of residence of Brian Head and surrounding communities with the large employment base that it provides. It is critical to the local economy. With the expansion will continue to provide jobs for our children and grandchildren to be able to stay within the area. The project will also enhance local ranching with the cattle and sheep the grays in these areas in the summer.

As Mayor of Brian Head I feel I can speak for the rest of the council and the majority of the citizens of our town that we are in full support of this proposed project.

Thanks, Clayton Calloway

Brian Head Mayor.
