Comments: 1: To many outfitters catering to big money hunters. Mostly Non-Residents. Can hardly go five miles in BTF without running into an outfitter camp during hunting season.

2: To many roads being shut down. Every year I see more and more closures. For closures due to road damage restrict the size limit to accommodate 4 wheelers and SXS's instead of hard closures.

3: To many compact cars, camper vans traveling on roads that they have no business being on. Should be designated high clearance, 4x4 only where appropriate.
