First name: Robin

Last name: Wagner

Organization:

Title:

Comments: I prefer alternative 4 as it will have the least impact on the Minturn Townhomes where I live. I also prefer it because the lines will be primarily underground resulting in less adverse impact on the entire area. I think all the residents here in Minturn value the area's natural beauty and don't want to affect that. Finally, and of equal importance, I believe there will be less fire danger with alternative 4.
