Comments: I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act. We all know the value of well-built and accessible huts for all.

An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.
