Comments: Hello-

I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.

As an avid outdoor recreationist who is no longer able to carry huge packs over long distances, I believe this hike will open up more opportunities to people of all abilities.

This proposal for an ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.

I hope it is built and I can't wait to use it.
