Comments: Dear USDA/USFS,

I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.

An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.

Having huts makes an accessible way for a range of users - families, those newer to the outdoors, those without camping gear, and more - to access the wonderful forests of Vermont!!

Thank you for your consideration,

Allen Pope
