Comments: Hello Chris and Holly,

Thanks for taking comments on the proposal "rebuild of South Pond Hut". I hope that the Forest Service will see the value in allowing the project to move forward! Because the site was already occupied by a prior structure (and users) but was burned down, I think it should be allowed to be rebuilt for the public benefit it will provide to future outdoor enthusiasts!

The details:

I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.

An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.

Thanks for you work!

Ned
