Comments: To whom it may concern:

I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.

An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities. I have used the Chittenden Brook hut every winter in the past and it would be so beneficial to add this hut to the users of Vermont. I'd look forward to its use especially during mountain bike season utilizing the amazing trails being built.

Thank you

Wendy Watson ( Montpelier Vermont)
