Comments: To whom it may concern:
I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.
An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.

Additionally I think that more access to the outdoors accessible to all walks of like can create a great respect for our forests and encourage environmental stewardship that can only help the health of our public lands for the future.

Thanks you for your consideration,

Kory Buck
