I'm writing in support of the proposed South Pond Hut Special Use Permit and Project Specific Forest Plan Amendment pursuant to the National Environmental Policy Act.

An ADA-accessible hut in this location takes advantage of existing infrastructure and is ideally situated to host users of the Long Trail, Catamount Trail, and future Velomont Trail, creating a new point of access to the outdoors for trail users of all ages and abilities.

This project has the potential to be impactful for forest visitors from Vermont and beyond. In addition, further development of the velomont trail and enhanced amenities along the existing Long Trail and Catamount trail will be an important driver for the local economy.
