First name: Noel

Last name: Duram

Organization: Lincoln County Commissioner

Title:

Comments: Jennifer,

The value to the community that the Upper Bunk Fuels Reduction Project will provide to the community of Yaak and the residents in that area is not just a cleaner and more aesthetic forested area, it is also a life saving project. The area is in immediate need to have fuel reductions to provide a safe forested area around the community to protect live and property. Without a substantial reduction in the fuel loads of the National Forest lands on the Kootenai National Forest, we risk the loss of lives and property in many areas and I am in full support of any effort to reduce the fuel loads.

Thank you,

Noel R Duram

Lincoln County Commissioner
