Comments: "Objections will only be accepted from those who have previously submitted specific written comments..." WTF?

Nobody trusts anyone in the federal government to not lie, to not try to trick the public in order for a small group of people to profit off our public lands. Just because we may not be able to visit the land, it does not mean that we don't care. Perhaps the little cabins are not a major invasion, but the clearance for roads and construction and interruption of the natural flow of life, the totality wreaks havoc with our already challenged climate and all flora and fauna. Stay the hell out
