Comments: This is such a terrible idea and whoever came up with it knows it. Your destroying our planet little by little, 99% of people are against this but your going to do it anyways. You all will learn one day to listen to the people because we are FED UP with this bs, YOU DONT LISTEN. This is terrible for the Tongass. LEAVE IT ALONE. Because once you destroy this peice of Land, you people are going to do it again and again and again. You are all a bunch of bootlicker scum, SAVE TONGASS FROM REPUBLICANS!
