Comments: I RESPONDED BEFORE AND STILL ABSOLUTELY DETEST AND OBJECT TO THE USE OF THE WATER OUT OF THE SKYLINE AREA. This area is a VERY POPULAR HIKING AREA. WHAT DON'T CITY OF BEND/FS UNDERSTAND ABOUT NOT USING THE UNDERGROUND WATER SYSTEM FOR THE PUBLIC OF Bend FOR THE WATER SOURCE. WE DON'T NEED to invite more people into the town we have more than enough money especially in taxes. PLUS, people are extremely nasty, dirty and destroy everything including the water we do have. NOT TO MENTION ALL THE PROBLEMS WE HAVE WITH TRANSITIONAL HOMESTEADING ON OUR FOREST AND CREATING EXTREMELY DANGEROUS WILDFIRES_ WE COULD LOSE OUR TOWN BECAUSE OF THEM!!!!!! ANOTHER POINT I NEED TO MAKE IS THAT WE NEED A GOOD UNDERGROUND WATER SOURCE TO KEEP OUR FORESTS HEALTHY!!!! I talk out of LOTS of experience working for the Federal Gov't in recreation and working in the other depts. Bend DOES NOT NEED to END UP LIKE PORTLAND. Fencing around the water source NEVER WORKS.
