First name: BARBARA

Last name: SMITH

Organization:

Title:

Comments: A. What is the Management Emphasis for:

1. Dispersed Recreation.

Continue to provide motorize asses.

Provide Visual Screening.

2. Developed trail systems.

Do not skid across trails. If not practical designate skid corridor and replace trail tread.

Retain screening within trail corridor.

B. Please provide me with an electronic copy of all recreation features within the project area.
