First name: Brianne

Last name: Howell

Organization:

Title:

Comments: I request the following changes to reflect how people actually live with and rely on this forest.

- * 300 ft buffers on all salmon streams
- * No old-growth harvest in priority fisheries areas
- * Maintain roadless area protections
- * Keep Mt. Edgecumbe as a Special Interest Area
- * Remove Shoals Point from high-use commercial recreation
- * Clear and accurate fisheries designations areas
- * Prioritize subsistence use areas and wildlife
