

Data Submitted (UTC 11): 6/14/2026 12:34:25 AM

First name: Benton

Last name: Elliott

Organization:

Title:

Comments: I am a longtime Oregonian who cares deeply about our State's iconic lands and waters and the wild lives that depend on them. I stand with Bark in opposition to Emergency Action and request the U.S. Forest Service consult with that organization, which has collected substantial data and research on this issue, before taking any action. Please prioritize protection over logging these irreplaceable lands. Thank you.
