Title:

Comments: 1) public lands are a congressional OY mandated public trust, for all of us. 2) fossil fuels, at least since Exxon's suppressed report of 1979, have been known to be one of the most destructive long term fuel options humans have chosen to use. 3) it is my believe that, since we, including gf companies, know this, continued development of ff's ought to be considered a crime against humanity. Period.
