Comments: We do not consent to the BLM leasing nominated parcels for oil and gas development. We want CLEAN ENERGY, we want to transition from oil and gas and extractory mountain mining projects energy methods. The oil and is supposed to be in the ground, the mountains are supposed to be there. Please stop poisoning and depleting our state in ways that are impossible to replace. Restore the natural biodiversity of our forests and teach our communities how to forage and steward that lands we are on. Find and have other regenerative ways fund our support human life, not sicken it for short term profits.
