Comments: Dear Scott,I read the letter of intent on ski area improvements along with the 5/14 Daily Planet article on the subject, and I feel like all of the changes proposed are good ones, with the exception of the widening of the Galloping Goose Skiway. I ski this run often, as I find it lightly used, with great views and few other skiers. The letter explaining the need for the various improvements cites reasons for all the changes except for the Galloping Goose project, which lists no reasoning nor justification. I think a 600 foot retaining wall in this otherwise undeveloped area would ruin the solitude and "naturalness" of this wonderful and secluded section of the ski area. Unless I hear a compelling reason for this heavy construction, I would like to express my opposition to this part of the ski area improvements.Thanks,John Wontrobski
