Comments: To Whom It May Concern,

I am writing to express my strong support for the proposed expansion project at Brian Head Resort.

Following the recent fire in Beaver, Brian Head stands as the sole ski resort serving our region within a 150-mile radius. This expansion is essential not only to accommodate local and visiting recreationists, but also to serve as a vital economic engine for southern Utah. The project will drive increased tourism, directly benefiting the local businesses, hospitality sectors, and communities of Cedar City, Parowan, and the surrounding areas.

Thank you for considering the long-term economic and recreational benefits this project brings to our region. I strongly encourage your support and approval of this expansion.

Sincerely,

Andrea Bringhurst
