Comments: Subject: Comment on Brian Head Resort Expansion Project #292353

Petitioner Address: 329 South Highway 143 Brian Head, UT 84719

I am in full support of the proposed expansion to Brian Head resort's operations within and adjacent to their current special use permit (SUP) on the Dixie National Forest, including adding an additional 1,651 acres to their Special Use Permit boundary. The economic and recreational benefits of the proposed expansion will far outway the environmental impact, particularly with implementation of sound environmental practices across the development's life cycle.
