Comments: I DO NOT BELIEVE IN CLOSURES. I use the trails almost every day, my wife and I pick up litter and look for animals NEVER exceeding 10 mile per hour and most times slower. We are older folks (67) and the trails and places that we go would close for us as we are physically unable to walk the 8-10 miles that we now traver each day on our 4-wheelers. I have to purchase 2 tabs for my wheelers each year how about using a small part of that and have an LEO patrol the area once and awhile or take it one step further and make it necessary to have a day use permit required as we NOW have across I-90 at the parks. That would certainty pay for the added LEO expense.
