First name: Erik

Last name: Mogensen

Organization: Indy Ski Pass

Title: President

Comments: Indy Pass represents a network of over 300 independent ski areas around the world, and collectively, we strongly support this project. The ownership and team at Waterville Valley have put in a tremendous amount of effort into creating a plan for the mountain and the community that uses it to access outdoor recreation.

Thoughtful expansions like this one are absolutely necessary to keep independent mountains sustainable and operating.
