Comments: Please conduct full government-to-government Tribal consultation.

Please complete the Draft Environmental Impact Statement (Draft EIS).

Please restore the established NEPA Draft EIS and public-comment process for the Bear Lodge REE Mining Project, in accordance with 40 C.F.R. § 1502.9 and 42 U.S.C. § 4370m-11.

Please evaluate No Action as a genuine and equal alternative. This should include denial of the Mining Plan of Operations (MPO) and a direct comparison with the proposed action and its residual impacts after mitigation, according to 42 U.S.C. § 4332(2)(C)(iii) and 40 C.F.R. § 1502.14.

Please ensure that the EIS evaluates the Bear Lodge mine together with the related Upton processing facility.

Please make sure the EIS analyzes reasonably foreseeable environmental effects.

Please analyze accident scenarios and their consequences.

Please consider all ecological effects of this proposal.
