Comments: I fully support the Brian Head Resort expansion. It will be a great benefit not only to the local Brian Head community, but to all of Southern Utah. The expansion will bring more revenue to the local economy.

Brian Head Resort is a good mountain, but needs to expand to be able to compete with the larger resorts. The expansion will also drive more local businesses to the area which is also needed as there are only a few restaurants and shops.

Brian Head and the surrounding area is beautiful and ultimately the expansion will allow for more people to enjoy the area.
