Comments: Growing up skiing AND snowmobiling Brian Head allowed for some of the best experiences of my life. I consider myself lucky because I was able to freely visit places that could only be reached by snowmobile. By taking away this access and commercializing our mountain, Brian Head will lose its ability to be one of the most tranquil and surreal places on earth. Taking our snowmobiling trails will also prevent an entire community from enjoying the mountain the way they have done for generations.
