Comments: I object to the proposed expansion into the High Mountain area because of what it would take away from snowmobilers.

We have owned property in Brian Head for 41 years after moving here from Duck Creek. We built our cabin here because Brian Head gave us the opportunity to both ski and snowmobile.

There are already very few places around Brian Head where snowmobilers can get off the trails, spread out, and really ride. High Mountain is one of those places and is a major gathering area for snowmobilers. Access from this area to the Cedar Breaks overlook is also one of the big draws for snowmobiling.

I support Brian Head Resort and skiing, but I don't think expanding the ski area should come at the expense of one of the few good open snowmobile areas we have left.

Please preserve High Mountain and access to the Cedar Breaks overlook for snowmobilers.
