Comments: I strongly support alternative 4 project #292353. My family owns property In Brian head and we love the ATV trails and snowmobile trails. If everything gets shut down I see Brian head turning into a park city full of large corporations and their greed. We avoid the resort because of how dangerous and crowded it has become. We love Brian head because it's the perfect year round resort. Brian head is a hidden gem for Utah locals. The ATV and snowmobile trails need to stay open for the positive growth I want for Brian head resort.
