Data Submitted (UTC 11): 11/12/2026 3:17:53 AM
First name: John
Last name: Livran
Organization: Sumpter Valley Snowmobile Club
Title: President
Comments: The only concern I have would be in regards to the log decks currently residing in our Cracker Creek snow parking area and being a perishable commodity hope the removal will be expedited…I know it won't happen overnight but want that area accessible as soon as possible…I haven't traveled all areas that were affected but can definitely give credit and a "thank you" for the rapid improvements already made…
