Comments: Hoodoo Roadless Area - Comment

Good evening! I write today to ask that you help maintain the legacy wilderness in the Great Burn by selecting Proposed Action Option A for the Hoodoo (Great Burn) Roadless Area. Option A is the only choice which guarantees quiet recreation opportunities, important habitat for mountain goats, wolverines, and more, especially in the winter and during migration. I'd like to respectfully ask that you get rid of Option B altogether! Thanks and have a great day!
