Forest Plan Revision Nez Perce-Clearwater National Forests

ID

Dear Nez Perce-Clearwater National Forests,

I greatly value the natural assets of the Nez Perce-Clearwater National Forest, in particular recreation.

I am writing to express my concern with the current proposal for the Nez Perce and Clearwater National Forests. The new forest plan needs to be realistic and affordable. Put a plan together that will recognize the multiple use aspect of National Forest System lands. Don't try to make the NF's a large block of wildlife and fish refuge.

The values that I, and many others, hold of multiple use lands on a sustained yield basis and improved motorized recreation opportunities must be thoroughly discussed in this process, and preserved by the new forest plan.

Thank you for the opportunity to comment.

Sincerely,

Ronn Julian
