

Data Submitted (UTC 11): 8/7/2014 3:18:52 AM

First name: Jon

Last name: Hall

Organization:

Title:

Comments: No Helicopters in Pusch Ridge Wilderness

Helicopters used by the Government which will disturb animals and then the information will be used to prevent access by the people at a later date is not acceptable.

No! You (Government) can not be trusted. We love our wildlife and wilderness and want to preserve it.

Leave us and our wildlife alone. Please.

Thank you
