Comments: PUBLIC COMMENT ON FEDERAL REGISTER

I AM IN FAVOR OF LEAVING NATURE ALONE. I AM NOT IN FAVOR OF ENDLESS MARAUDING BY FS EMPLOYEES, LOGGING, AND CHEMICAL TOXICS BROUGHT IN, ETC. IT SEEMS AS THOUGH THESE PLANS ARE ADVANCED SO THAT FS EMPLOYEES ALWAYS HAVE WORK AND OVERTIME TO MAKE MONEY, NOT BECAUSE THE AREAS NEED THE ASSAULT THAT THE FS EMPLOYEES MAKE. MANY OF THESE ACTS ARE INJURIOUS AND NOT BENEFICIAL. I AM IN FAVOR UNTOUCHED ANIMALS AND PLANTS IN OUR OPEN SPACE NATIONAL SITES. THE AMERICAN PEOPLE ARE STILL IN RECESSION AND HAVE NO MONEY TO KEEP SPENDING SPENDING SPENDING WHEN WE CAN LEAVE OUR SITES ALONE FOR A WHILE. THIS COMMENT IS FOR THE PUBLIC RECORD. WHEN ANIMALS MAKE A HOME, THEY WANT TO BE LEFT UNDISTURBED AND DON'T WANT HORDES OF MEN COMING AROUND TO SPRAY AND DIG UP AND SO FORTH BECAUSE IT TAKES AWAY THEIR FOOD AND THEIR HOME SPACE. PLEASE REEPLY. JEAN PUBLIC1@YAHOO.COM
