First name: Zoot

Last name: Velasco

Organization: Muckenthaler Cultural Center

Title:

Comments: 1558 Edgecliff

This is my address in Deer Lodge Park. My house backs up to national forest. About 20 feet behind my house is a large pine tree that burned in the fire and has been riddled by woodpeckers. I am worried about it falling on my house as it is half dead. Will this project help me with this issue?
