To the USDA and the Sawtooth National Forest Service Supervisor's Office.....

1) I want to stay on your mailing list/contact list

2) I am listed incorrectly in your data base with this address listed as incorrect address below. I will include the correct address so that you can alter your data base and correct it. You sent me two large paper mailings to both addresses. Please delete the incorrect one.

Incorrect

Jeffrey Wright

Correct

Jeffrey and Sandra Wright

3) I do not wish to receive large paper wasting correspondence of any kind from the forest service (who manages our trees). We live in an electronic age. Please send me electronic correspondence with the detail listed that you wish to distribute to the public or the website references acknowledged that relate to what you want. Certainly you can do that. Here is my email for all correspondence.

Thank you,

Jeffrey and Sandra Wright
