Re:Stanislaus National Forest Over-Snow Vehicle (OSV) Use Designation #46311

To whom it may concern,

I am interested in snowmobiling, backcountry skiing, snowboarding, snowshoeing and I believe that more lands (not less) should be set aside for motorized winter recreation.

I do not support ANY motor vehicle closures.

I would like to see Bear Valley ski area opened to snowmobiling once the resort ceases operations for the season.
