Comments: Dear OHV director,

My family & friends have been riding up in these areas (proposed to close) for 20 plus years.

The fact that a few select skiers & hikers who pay no ohv fees are going to shut down these selected areas is mind boggling. We as outdoors men & women respect the wilderness area as it was our own

We tread lightly stay on trails & never go out bounds. At the end of the day we all love the same areas & should be able to enjoy them in harmony as we have done for years & years

We are the ones who pay the ohv & trail fees not the hikers & the skiers.

PLEASE DONT LIMIT OUR RIDING AREA ANYMORE THAN IT ALREADY IS....
