Comments: Hello,

The trails in the Magdalenas are enjoyed and cared for by several dozen bikers in the Magdalena/Socorro area. Those who bike there take pride in the trails and help to maintain them by clearing deadfall. I have been riding on these trails every week for 10+ years and although it's rare to run into other people while in the Magdalenas, it is much more common to find other bikers than it is to find hikers.

Thanks,
Jeff
