Comments: Cibola National Forest - Mt. Taylor Wilderness Designations

Greetings,

I am writing to express my support for the designation of as much area as possible as wilderness, within the Cibola National Forest. I believe it is to the benefit of all people that more of our National Forests be set aside as wilderness areas and protected as such. I am a native of New Mexico, and have lived in Grants, New Mexico for over 13 years. I want to see our national lands protected for generations to come.

Thank you for your kind attention to this letter.
