Comments: Help designate Future Wilderness areas for New Mexico Forests

Oct 16, 2014

Cibola National Forest Supervisor Elaine Kohrman

Dear Kohrman,

Thank you for the opportunity to comment on the Cibola National Forest wilderness inventory process.

Please make the choice that protects the forest lands that can't speak for themselves, so the wildlife and plant life are preserved. The Cibola National Forest, Mount Taylor Ranger District, the Magdalena ranger district; please protect every area that needs protection to maintain their natural state.

Our public forestlands should be protected for the enjoyment and benefit everybody, not for short-term profit or the benefit of any one special interest group.

Sincerely,

Elissa Heyman
