Elaine Kohrman Forest Supervisor
Cibola National Forest & Grassland
2113 Osuna Rd. NE Albuquerque, NM 87113

I am writing on behalf of Cibola County, as a Cooperating Agency participating on the Mt. Taylor Landscape Team. As a participant in the process of developing a Draft Forest Revision Plan, we would like to identify our preferred option. As the Forest Service works toward a final plan. Cibola County prefers the Plan B Option!

Cibola County greatly appreciates the ability to participate with many partners as we work toward a plan that serves the many diverse interests and advocates for the best possible management of our forest resources and assets. We value the opportunity to participate and acknowledge the effort of the Forest Service to solicit a broad public involvement to help facilitate the best possible outcome for those involved.

Cibola County looks forward to a continued partnership with the Forest Service. Please keep us informed as we move forward so that we may be involved and participate in development of a plan that will be accepted by all.

Sincerely,
Tony M. Boyd
County Manager
