Title: President

Comments: We have assembled the following information and issues from our members and other motorized recreationists for the project record. We appreciate the opportunity to provide our comments for the Custer-Gallatin Draft Forest Plan. We enjoy riding our OHVs on primitive trails and roads in the Custer-Gallatin National Forest. All multiple-use land managed by the Custer Gallatin National Forest are extremely important to us for motorized access and motorized recreation.

We are looking forward to a reasonable Pro-Recreation plan for the Custer-Gallatin Draft Forest Plan.

Thank you for considering our comments.

Sincerely,

/s/ CTVA Action Committee on behalf of our 240 members and their families and friends
