Brenda, Tracy Ridge objections closed yesterday. When you get a second, I would be curious to know how many we received and see the more substantive ones.

Also, a couple objections came in here. I'm not sure if they are duplicates, but I'll forward them anyway. Some of these objectors may not have standing - they did not submit comments during the planning process.

This is the first one I'm forwarding.

Thanks,

I don't know if this is a duplicate or not. Also, I don't know how to confirm standing or what to do with these comments, so I'm sending them all to you. Thanks

Subject: Objection to Proposal to Allow Mountain Biking On Tracy Ridge Trails

Ms Tune,

Allow this email to serve as my official objection to the proposal to permit the use of mountain bikes on the pristine Tracy Ridge Trail System. It is my opinion and understanding that such a permission will be disruptive to the trails and the manner in which they are currently enjoyed.

Thank You,

Adam Gollwitzer
