To whom this may Concern,

Today I was informed that there is motion to eliminate all biking trails on

Mt. Lemmon. I am writing you today asking that you reconsider the decision to eliminate the designated trails for pedestrian purposes.

I'm a native to Tucson, AZ; I have enjoyed Mt.Lemmon since I was a child camping with my family. To this day I still enjoy rock climbing, hiking and Mountain biking the trails on Mt. Lemmon.

It brings great sadness to hear that this joy may be taken away. I understand that I am one person writing one Email, but please consider what i have said.

Please mail me notices about future meetings regarding decisions or changes to Mt. Lemmon.
