Comments: Wilderness areas in Coronado National Forest

Dear Erin Boyle,

I am writing to you on behalf of all Cyclists in the Tucson basin and my daughters. A large number of us find the mountain trails on the "Lemon" a wonderful reprieve from the desert landscape. It is some of the finest riding in the area and part of the Arizona Trail which is built for all of us. I have yet to finish reading all of the proposal but hope this letter helps get the word out that mountain bikers use the trails and help maintain the trails.

Sincerely,

Stephen Jordan
