Comments: I am attaching a note concerning the Draft EIS toward declaring all of Alaska exempt from the Roadless Rule. Please consider the wishes of a concerned and informed citizen. Thank you, Dr. Norma Morrison

Dear Forest Service,

Your press release (0154.29) seeks public opinion concerning the exemption of the old growth areas of the Tongass National Forest from .the national rule which was implemented in 2001. This rule was accomplished by many people working very hard for the greater good of all our citizens.

Please do not support this exemption of the remaining old growth forest of the Tongas from the roadless rule but instead support "no action" or Alternative #1. Any other action would be irresponsible and careless for the future of our country.

Thank you for your understanding and for doing the right thing.

Sincerely,

Dr. Norma Morrison, Roan Mountain, Tn 37687
