Title:

Comments: Buckskin Saddle errata

District Ranger Berner,

I do not know if this is acceptable or not but there are a couple of grammar errors in the introductory paragraph of the comments. Is it possible to substitute the new corrected comments for the existing comment letter? There are no other changes except slight changes in the first introductory paragraph. If not acceptable I will post the errata on Facebook. Writing comments is very taxing time wise on volunteers.

Sincerely,

--
